

## Benefits and Features:

Lexia Reading is available to all students — anytime, anywhere via the web. Teachers will be able to simultaneously monitor and manage their students' progress and instruction with flexibility and ease.

### Advantages:

- ▶ **Auto Placement gets a whole class started in just 10 minutes without the need for time consuming individual assessment.**
- ▶ **Lexia Additional Resources:** Includes 100's of printable materials (scripted lesson plans and work sheets) – designed to offer additional support to a group or individual.
- ▶ **Vastly improved reporting tools closely monitor progress:** Use reports quickly and easily for informing planning, guiding instruction, IEP and Value Added data.
- ▶ **Improved access:** Students can use Lexia anytime, anywhere. If you wish, Lexia can be accessed seamlessly from home, after school club or library. Pupils are no longer tied to ICT room timetables.
- ▶ **Enhanced graphics** allow students to accurately recognize objects, visualize vocabulary and engage with the program.
- ▶ **Auto Promotion:** Our new Auto Promotion functionality seamlessly promotes students from Early Reading® to Foundation Reading® and from Foundation Reading® to Strategies for Older Students® without teacher involvement.
- ▶ **Student Celebration Screens:** New celebration screens appear when a student completes a level in Lexia Reading.
- ▶ **Improve Community Links:** with web access, your Lexia licences may be offered for wider usage e.g. parents wishing to improve their basic reading skills (including EAL).
- ▶ **Quick Reading Test®:** Offers valuable diagnostic information and provides evidence of student progress.
- ▶ **Teachers can be supported remotely by LexiaUK on a regular basis.**

Improved Reporting

## Technicians will love Lexia Reading Web-Enabled:

- ▶ **Lexia Reading is hosted by Lexia**, providing schools with an easy-to-install and maintain option for implementing the reading programs.
- ▶ **Regular updates** ensure your software is constantly kept up-to-date.
- ▶ **Remote secure storage** ensures against data loss.
- ▶ **Lexia Reading now supports command line installation (Windows)** making distribution to multiple machines easier.
- ▶ **An MSI file is available.**
- ▶ **Automatic error messages** are sent to the Lexia Reading database to facilitate Lexia's customer support of your school.
- ▶ **Technical phone and dial-in support** is available Monday-Friday 8:30am – 9pm.

## How do CD & Network Customers Migrate?

*We can offer a variety of migration paths – designed to meet all needs and budgets.*
