

What is Lexia Strategies?

Lexia Strategies is a technology-based reading program that provides remedial reading skills practice for students ages 12 through adult. The program focuses on fundamental literacy skills starting at Year 4 skill levels, using age-appropriate content in a mature interface.

Lexia Skill Set	Level of Material	Program Level
Intermediate	Y4 - Y7+	Strategies Levels 4 and 5
Foundation	2+	Strategies Levels 2 and 3
Basic	1+	Strategies Level 1

How Do I Get Started Using Lexia Strategies?

Teachers

Go to www.myLexia.com to:

- View reports with student performance data to help plan instruction
- Access Lexia Lessons® for teacher-led Intervention
- Access Lexia Skill Builders® for paper-based practice materials
- Create and manage student accounts
- Create classes to group and monitor your students

Download the free myLexia App for iPhone® and iPad® so you can securely access student data on-the-go!

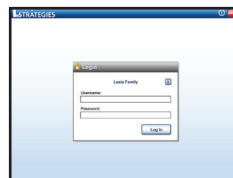

Student Login (3 Ways)

1. Launch a web browser and go to lexiastrategies.com (requires teacher setup)
2. Launch a web browser and go to the site-specific URL* for your school
3. To use the installed or app version, click the Lexia Strategies icon

When logging in for the first time, Auto Placement determines the student's starting level based on student performance.

**Log in to myLexia.com to locate this URL. Look for the Strategies Student Program link.*

You can use your myLexia username and password to log in to Lexia Strategies to explore activities.
