**Year 5 Pupil quote:**

*"I think Lexia has helped me with my reading, writing and spelling and I also enjoy reading a lot more now as I find it easier."*

It's obvious that the staff and pupils at Captain Cook don't simply view Lexia as a standard literacy intervention. They genuinely enjoy using the program which we love to hear. Learning, after all, should be fun and our aim has always been to provide staff with a helpful and informative resource. Thanks to everyone at Captain Cook for providing a great example of where our mission has proved a great success.
