

Digital Formats for Lexia Core5[®] Reading Instructional Resources

In an increasingly digital educational landscape, it's important that your learning models support on- and off-line development.

With that in mind, you can now access Lexia instructional resources in a digital format.

Digital Lexia Skill Builders®

Available for Lexia[®] Core5[®] Reading (Core5) and Lexia[®] PowerUp Literacy[®] (PowerUp), digital Skill Builders[®] provide the same opportunities to apply key literacy skills and strategies as paper-based Skill Builders, while expanding student access and eliminating the need for printing.

Teachers can now assign digital Skill Builders via Google Classroom™ and other Learning Management Systems.

As such, students can now complete them on a tablet, Chromebook™, laptop, or desktop computer.

Moveable visual components facilitate sorting and sequencing tasks

Lexia Lessons® Slide Decks

Available for the Phonics strand in Core5, Lexia Lessons[®] Slide Decks help educators provide targeted intervention to individual students, small groups, or the whole class.

Slide Decks include visuals and lesson plans, optimised for presentation in the classroom or in a remote learning environment.

Teachers can now download Lexia Lessons Slide Decks to Google Drive™, and customise as needed before delivering the session.

Suggested scripts and lesson delivery tips are included in the speaker notes (visible to teachers only while in Presentation Mode) to help guide learning. Various visual elements and presentation features are included to enhance lesson delivery and keep students engaged.

Note: Educators are integral to the delivery of each lesson – they control the dialogue and pace. This personalised approach supports the varying needs of all students.
